

# HOLY FAMILY CATHOLIC PRIMARY SCHOOL

## NURSERY REMOTE LEARNING PLAN

Date: 1<sup>st</sup> March 2021

Holy Family R.C. Primary School

### Story time

Today's story is The Tiny Seed by Eric Carle. Watch and listen here:

[https://www.youtube.com/watch?v=I\\_A\\_e6h-DhU](https://www.youtube.com/watch?v=I_A_e6h-DhU)

You will hear the word grow in this story – can you hear it?

When something, such as a plant or flower, grows it gets bigger and changes physically.

Have you ever planted a seed?  
What happened?

### Lent

Yesterday it was the second Sunday of Lent. Last week I asked if anybody has given something they enjoy up, or made a promise.

Choose an activity from the pack attached on Tapestry to complete today, such as a Lenten Promise Card.

### Physical

Can you create a sequence of movements to show a flower growing from a tiny seed into a beautiful, bright flower? Think about the tiny seed's journey!

How would the flower move now it is fully grown? Would it be graceful as it sways in the breeze? How would you move if you were a mean weed?

### Phonics Phase 1 – Mouth Movements

Explore different mouth movements with children – blowing, sucking, tongue stretching and wiggling. Practising these movements regularly to music can be fun and helps children with their articulation – you can even take a look in the mirror when making different sounds to see what happens!

*Thank you to all for engaging with our home learning ideas. The main things to keep doing are reading, talking as much as possible and singing your favourite songs and rhymes.*

*Numberblocks and Alphablocks are good educational programmes to watch at home to support development. Phonics play is also free currently. In nursery we focus on Phase 1:*
