

# HOLY FAMILY CATHOLIC PRIMARY SCHOOL

## NURSERY REMOTE LEARNING PLAN

Date: 2nd March 2021

Holy Family R.C. Primary School

### Story time

Today's story is Jack and the Beanstalk.

<https://www.youtube.com/watch?v=XnnSRy3v-1Q>

Listen for the word mysteriously.

When something is mysterious it is something strange or something that is hard to explain or understand.

### Recognising numbers

What numbers can you see in the environment around you? For example there are numbers on a clock, on the oven, on books.

Now see if you can go on a number hunt! You can do this around home and when you are on a walk with things such as car plates.

Have fun!

### Phonics Phase 1 – Sound story time.

Read a story you know together. Talk about how you can use your voice in different ways telling a story. Tell your favourite stories or rhymes in different voices – examples are whispering, growling, squeaking, shouting.

*Thank you to all for engaging with our home learning ideas. The main things to keep doing are reading, talking as much as possible and singing your favourite songs and rhymes.*

*Numberblocks and Alphablocks are good educational programmes to watch at home to support development. Phonics play is also free currently. In nursery we focus on Phase 1:*

*You may log in with the following details:  
username: jan21 password: home*

### Measuring

Can you measure using different items? How many hands tall are you? How many pencils does it take to measure your feet?

Try measuring using different items that you have available!
