

HOLY FAMILY CATHOLIC PRIMARY SCHOOL

YEAR 2 REMOTE LEARNING PLAN

Date 2nd March 2021

CORE LEARNING TASK FOR ENGLISH

LO: To create our own story character

1. Look at my example of a character I made and watch the video explaining what I would like you to do.
2. Print out the character template attached to today's observation -draw and colour to create a character you would like to add to the story 'The Disappearing Moon'
3. Write words around your character to describe their personality, their job, species (Human, alien, animal?), dislikes and hobbies.

Top tips: Think how your character would fit in the story and what their purpose/role would be.

BBC Lesson:

<https://www.bbc.co.uk/bitesize/articles/zg2tqfr>

CORE LEARNING TASK FOR MATHEMATICS

LO: To identify numbers as odd or even.

We are following the White Rose Maths daily lesson schedule.

1. Watch the following video link.<https://vimeo.com/498261586>
2. Complete the worksheet, this can be found on today's observation.

Top tip: can you identify any patterns? What makes a number odd or even?

Useful BBC lesson:
<https://www.bbc.co.uk/bitesize/topics/zkns/gk7/articles/zt4jj6f>

KEY VOCABULARY

Literacy: create, original, character

Maths: odd, even, identify

Science: plants, research

WIDER CURRICULUM TASKS

Science

LO: To research facts about plants and describe what we already know

1. Think about what you already know about plants. Where do you find them? What do they look like? What different ones have you seen? Maybe you could collect some plants when you're on a walk and make a collage. Write the things that you know on a piece of paper with 'Plants' in the middle.
2. Research facts about plants, look at websites, books, or video clips. Look at the BBC plant unit and watch some of the clips about plants
<https://www.bbc.co.uk/bitesize/topics/zpxnyrd>.
What did you find out?
