

HOLY FAMILY CATHOLIC PRIMARY SCHOOL

YEAR 6 REMOTE LEARNING PLAN

Date Tuesday 2nd March

CORE LEARNING TASK FOR ENGLISH

Writing

LO: To use figurative language effectively.

This Year 6 BBC Bitesize lesson includes:

Three videos to help you understand more about figurative language and see examples of hyperbole, similes and metaphors

Three activities

<https://www.bbc.co.uk/bitesize/articles/zxk7kt>
y

Spelling

LO: To investigate suffixes: -le -el -al -il (lesson 2)

In this lesson, we will recap the rules associated with adding the suffixes -le, -el, -al and -il and learn a spelling practice strategy. The 10 spelling words set in the previous lesson will be revisited and tested.

Please follow the following lesson from Oak National Academy:

<https://classroom.thenational.academy/lessons/to-investigate-suffixes-le-el-al-il-including-test-cct32c>

CORE LEARNING TASK FOR MATHEMATICS

Daily Arithmetic - Please complete 'Fluent in 5, Week 8 Day 2'

Please check your answers with the mark sheet.

LO: To convert metric measures

We are following White Rose Maths daily lesson schedule.

1. Watch the following video link.
<https://vimeo.com/504805400>
2. Complete the worksheet, this can be found on today's observation labelled 'Year 6 Home Learning Tuesday 2nd March on Tapestry
3. Check your answers using the mark sheet.

KEY VOCABULARY

Maths - length, mass, capacity, metres, millimetres, millilitres, centilitres, centimetres, kilogram

English - simile, metaphor, figurative language, hyperbole

Science - environment, adaptation, survival, insulating

WIDER CURRICULUM TASK

Science

L.O - To Explain how adaptations help the animals that we have looked at in this lesson survive.

This week we start our new science topic – “**Evolution and Inheritance**”

Can you find out what these words mean?

We will share our ideas in class next week.

Human can live on every continent of the earth but animals cannot! Why? Followed today's activities to learn how animals have adapted to survive in their own habitat.

Task – create your own animal that would be well adapted to survive in a desert! I look forward to seeing your weird and wonderful creatures on tapestry. Bring them to class next week to share!!

Use the handout to help you!
