

HOLY FAMILY CATHOLIC PRIMARY SCHOOL

NURSERY REMOTE LEARNING PLAN

Date: 3rd February 2021

Holy Family R.C. Primary School

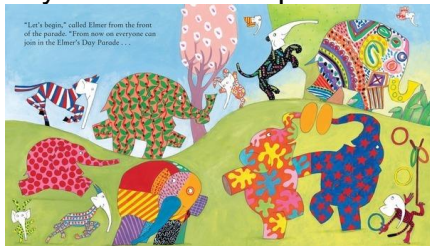

Story time

This week it is children's mental health awareness week.

The theme for the week is "Express yourself!" We will be thinking about how we can express ourselves and all the special things about us.

Listen to the story "Elmer's Special Day":
<https://www.youtube.com/watch?v=UItUzasVWk>

Listen for the word parade.
This is a special walk that groups do to celebrate a special day or event! Have you ever seen a parade?

What do you think of the patterns you see in the book on the animals?
Which one is your favourite?

Calm and Happiness

In Elmer's story today the elephants were being very noisy! How do you feel when things are very noisy? Is there somewhere or something that makes you feel nice and calm?

Think about what activities make you feel happy. Or you could find items from home which cheer you up when you need it.

I would like you spend some time today doing an activity that you know makes you feel happy, or spend some time in your safe, calm place.

Phonics Phase 1. Aspect 5 – Alliteration

We're making lots of silly soup, we're going to make it silly! We're going to put it in the fridge to make it nice and chilly!

I have put in three items that begin with the sound "t": tomatoes, teddy and toast! Can you think of or find three items beginning with a "c" sound?

Thank you to all for engaging with our home learning ideas. The main things to keep doing are reading, talking as much as possible and singing your favourite songs and rhymes.

Numberblocks and Alphablocks are good educational programmes to watch at home to support development. Phonics play is also free currently. In nursery we focus on Phase 1:

The Squiggle Game

<https://www.youtube.com/watch?v=ozKW1M97JXE&feature=youtu.be>

The above video explains how to play the squiggle game. All you need is a something to draw with and some paper. You could even do it with chalk outdoors depending on the weather! What can you create from your squiggle?
