## NURSERY REMOTE LEARNING PLAN

Date: 3rd March 2021

Holy Family R.C. Primary School

### Story time

Listen to the story "Eddie's Garden".

Sprouting is our word to learn today. It means that the plant is starting to grow and shoot up!

Can you help to water some plants or flowers to take care of them?

### Flowers

Using the resources you have at home, can you make your own flower artwork based on the art I have provided on tapestry?

You might do some sponge painting, or a collage of a sunflower that looks like Van Gogh's.

### Phonics Phase 1

Throughout the day think about and play with rhyming words. The adult begins with a prompt "I know a word that rhymes with cat, you need to put one on your head and the word is...hat!" This can be used for all sorts of situations and also with some children's names: I know a girl who is holding a dolly, she is in the book corner and her name is...Molly. As children become familiar with rhymes they may fill in the missing words themselves.

*Numberblocks and Alphablocks are good educational programmes to watch at home to support development. Phonics play is also free currently. In nursery we focus on Phase 1:*

### Fairy Garden

Can you create your own fairy garden outdoors? If not outdoors you could create it in a tray or a box inside. I have attached some images for inspiration if you need!
