2. Think about the following questions:
What will it look like?
What colour is it?
Is it large or small?
Can it do something strange like twist off its legs or remove its head?
Is it furry, scaly, slimy, soft or spiky?
How many eyes/ ears/ noses/mouths has it got?
What does it like to eat?
3. Draw/colour/ and label your monster with the ideas above. You could also make your monster with any craft materials you have available.
