

HOLY FAMILY CATHOLIC PRIMARY SCHOOL

NURSERY REMOTE LEARNING PLAN

Date: 4th March 2021

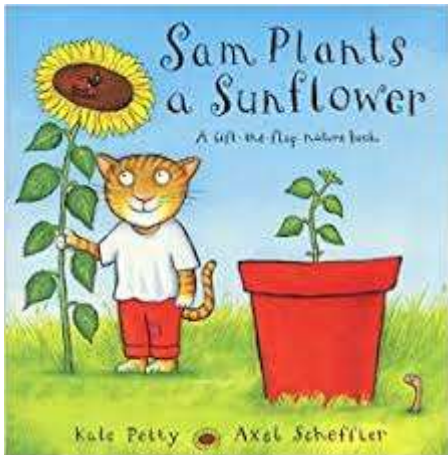

Holy Family R.C. Primary School

Story time

Today's story is Sam plants a sunflower.
<https://www.youtube.com/watch?v=MpciGxqBYw0&safe=active>

Listen for the word damp. Damp means slightly wet.

So the soil must not have too much water, just enough for it to be damp.

Weeds and Flowers

It is good to talk about the difference between a weed and a flower.

See if you can find a weed to pull up, can you see the roots? Make sure you wash your hands after handling any plants.

Funky Fingers!

As well as practising phonics we need to make sure we have regular opportunities to exercise our fingers. Take some time to practise using your hand muscles with one of the fine motor activities.

Afterwards sing some of your favourite nursery rhymes!

Thank you to all for engaging with our home learning ideas. The main things to keep doing are reading, talking as much as possible and singing your favourite songs and rhymes. Numberblocks and Alphablocks are good educational programmes to watch at home to support development.

Phonics play is also free currently. In nursery we focus on Phase 1:

Leaf Rubbing

Try making some patterns using pencil or crayons and different leaves or patterns you find around you. You could rub over bark on a tree, or different stones. Explore the different patterns that surfaces around you make! Which is your favourite?
