WIDER CURRICULUM TASKS

PE: LO: To use household items as apparatus for balance.

This week is a creative challenge to use everyday items safely as apparatus for balance positions. Remember in school we learned to balance on the climbing equipment or balance on a bench or gym table. See the pictures of some examples attached to today's observation.

Top Tip : For a balance, hold for at least 3 seconds. Practice your sequence so that you can remember it.

PSHE : LO: To learn about the importance of not keeping secrets that make them feel uncomfortable, anxious or afraid.

Please talk through the attached "Good and Bad Secrets Activity" pdf with your child.
