Story time

We will be reading some traditional tales this week. Let's continue!

Today's tale is Goldilocks and the Three Bears.

Listen for the word cooled. This means that something became less hot than before.

Have you ever had porridge?

Do you think it was right or wrong of Goldilocks to go into the house?

Do you think Goldilocks should say sorry to the bears?

Small, medium, large – ordering

Can you find some things as examples of small, medium and large?

Try putting some groups of things into size order. This could be anything – spoons, cushions, people!

Phonics Phase 1 – Metal Mike Sound out some three letter words in a robot voice, e.g. /c/-/u/-/p/ cup, /h/-/a/-/t/ hat, encouraging your child to join in – make sure you use robot arms too! If your child is confident you could see if they can identify the item from pictures when you sound it out.

Some children may not be quite ready for this, which is fine! If so, have some fun practising your favourite rhymes and songs today.

Thank you to all for engaging with our home learning ideas. The main things to keep doing are reading, talking as much as possible and singing your favourite songs and rhymes.

Numberblocks and Alphablocks are good educational programmes to watch at home to support development. Phonics play is also free currently. In nursery we focus on Phase 1:

Teddy Bear Picnic

Plan to have one of your meals as a picnic today. Make sure you invite the bears! You could even write them invitations.

You could plan a picnic meal, or simply eat one of your normal meals on a blanket on the floor. This can be done indoors or outdoors (weather dependant, it has been very cold recently!).
