

HOLY FAMILY CATHOLIC PRIMARY SCHOOL

YEAR 2 REMOTE LEARNING PLAN

Date 10th February

CORE LEARNING TASK FOR ENGLISH

LO: To create a story map to retell the events of a story

1. Look at my example of a story map of the events that have happen so far in 'The Disappearing Moon'
2. Create your story map detailing the events that have happen in the story 'The Disappearing Moon' so far.

Top Tip: make sure you think about the order in which events have happened and what drawings are going to help you recall each event.

Retell the story to someone else using your story map.

CORE LEARNING TASK FOR MATHEMATICS

LO: To know and use the 2 times-tables.

1. Watch the following video link.
<https://vimeo.com/490420447>
2. Complete the worksheet attached to today's observation

Top Tip: Practice reciting the 2 times-tables orally or by writing them down. Ask your child if they can see any patterns.

Listen and sing along to this groovy 2 times-table song!

KEY VOCABULARY

story, events, recall
times-tables, multiply
good news, prayer, follow

WIDER CURRICULUM TASKS

RE: LO: To think about how we can follow the teachings of Jesus about bringing good news to the friendless / sick.

In our previous lessons we have learned how Jesus cares for people, showing love to the lonely, being a friend to the friendless, and healing of the sick. We can also bring the Good News to others, just like Mother Theresa.

<https://www.youtube.com/watch?v=aFsEku6zwXM>

Activities:

Think about someone you know who is poorly and complete the Prayer Service sheet and spend some quiet reflection time with a family member to pray for them.

I know we are limited in where we can go and what we can do at the moment, but if you could bring the good news to others what would you do?
