Story time

Yesterday it was "Backwards Day"! Today let's do some silly backwards activities.

You might think of your own funny ideas to take part in our backwards day!

Your story today is called Silly Sally:

What do forwards and backwards mean?
You could give an example.

Here is another version of the story read with a rhythm, perhaps you can clap along or join in with the repeated phrases.

Fashion Show

Can you put on a backwards fashion show?

Create your own silly mismatched outfit or even try some of your clothes on backwards!

Backwards movement

Try carefully and slowly moving backwards in different ways. Make sure you have a suitable area to do this and supervision.

Phonics Phase 1, Aspect 2: Instrumental sounds

Practice shake and stop with this musical video. Can you make an instrument to shake and listen carefully to when you need to shake or stop?

Thank you to all for engaging with our home learning ideas. The main things to keep doing are reading, talking as much as possible and singing your favourite songs and rhymes.

Numberblocks and Alphablocks are good educational programmes to watch at home to support development. Phonics play is also free currently. In nursery we focus on Phase 1:

Reverse Roles

Can you swap roles? Children teach the grownups something! Be the grown up for a period of time and the adults can be the children.
