## NURSERY REMOTE LEARNING PLAN

**Date:** 11<sup>th</sup> February 2021

Holy Family R.C. Primary School

### Story time

We will be reading some traditional tales this week. Let's continue!

Today's tale is The Enormous Turnip.

Today's word is swell. Swell means that something becomes larger and rounder!

Can you think of some other items which are enormous?

The characters in the story had to work as a team to get the enormous turnip out!

Why don't you try some team activities out today where you need to work together with people at home?

### Vegetables

A turnip is a vegetable which grown in the ground. Vegetables are very good for us! Can you think of any vegetables you have eaten this week?

Can you plan a yummy meal that has some vegetables in it? You could talk about it or make a picture.

Perhaps you could even grow some vegetables in your garden one day. If you already do, what are they and how do you look after them?

### Funky Fingers

Today I would like you to make sure you exercise your fingers! This will make them strong and help with your fine motor skills, which are really important.

*Thank you to all for engaging with our home learning ideas. The main things to keep doing are reading, talking as much as possible and singing your favourite songs and rhymes. Numberblocks and Alphablocks are good educational programmes to watch at home to support development.*

*Phonics play is also free currently. In nursery we focus on Phase 1:*

### Role Play

Can you set up a fruit and veg shop at home?  
What items will you sell?
