CORE LEARNING TASK FOR ENGLISH

I think that this is a great activity – it really helps me to remember the different parts of the story.

STORY TIME

I really miss our story times!
It is so important that we listen and respond to quality texts.

CORE LEARNING TASK FOR MATHEMATICS

In today's lesson we are going to measure capacity.

Alive in 5 week 3

Session 3

Please watch the video and then complete the activity which can be done practically rather than printing.

PHONICS

This week I would like us to really focus on our blending skills. It is very important that we get quicker and quicker at saying the sounds to read the words-this will really help when we are reading books.

I have also added the children to a site that is offering 30 days free called "Reading Hero" I have sent individual login details.

WIDER CURRICULUM TASK- RE

To hear that Jesus cured people who were sick and think of ways we can show our love for sick people.

Read through the attached document and then ask and discuss the questions and complete the task.

(John 5: 1-9 adapted) See attached

• Where did Jesus go? Who did he see? • Why were the people there? • What were they waiting for? • What was going to happen? • Who did Jesus speak to? • What did he say to him? • What happened next?

ask to chn about how we can pray to Jesus when we know somebody who is not well to help. Ask if chn ever felt unwell? How did they feel? What made them better? What does their adult do to help? Have they been to visit somebody who may not be well in hospital? Did they take a card or flowers?

Children could write/draw a picture to a person who is ill in their family, or someone who fell over outside on the playground and say a prayer. write/compose a prayer to Jesus.
