

# HOLY FAMILY CATHOLIC PRIMARY SCHOOL

## NURSERY REMOTE LEARNING PLAN

Date: 2nd February 2021

Holy Family R.C. Primary School

### Story time

This week it is children's mental health awareness week. The theme for the week is "Express yourself!" We will be thinking about how we can express ourselves and all the special things about us.

Beautiful Oops is our story for today:  
<https://www.youtube.com/watch?v=2fZiMYdQjGM>

What is imagination? Listen out for the word!

Imagination is using your mind to be creative or think of ideas.

Remember next time you think you have made a mistake that it could be turned into something beautiful, or even be a good thing in itself!

### Amazing Me

We all have our different talents and things we are great at. Some people might be great at something that other people find really hard and vice versa!

Can you think of something that you think that you are good at?

Show somebody at home your special skill!

### Feelings

Based on the idea in the book "Beautiful Oops", can you create a picture or collage based on how you feel today? Think about what colours and images you want to put onto your picture.

When you are done you could use the ideas from "Beautiful Oops" to decorate your image even more. Use bits of rubbish, newspaper, paint splodges to make your image unique to you and amazing. Have fun!

### Phonics Phase 1, Aspect 2: Instrumental sounds

Collect some different items from around the house. For example, spoons, wooden blocks, pans. Take it in turns to hide behind something and make a sound with an item. Can the other person guess which object or instrument is making the noise?

*Thank you to all for engaging with our home learning ideas. The main things to keep doing are reading, talking as much as possible and singing your favourite songs and rhymes.*

*Numberblocks and Alphablocks are good educational programmes to watch at home to support development. Phonics play is also free currently. In nursery we focus on Phase 1:*
