PHONICS

This week I would like us to really focus on our blending skills. It is very important that we get quicker and quicker at saying the sounds to read the words-this will really help when we are reading books.

WIDER CURRICULUM TASK-

Topic- We are going to practise our drawing skills today and follow the instructions to draw a pet.

I have attached the instructions to this observation- what will you choose?

A dog, cat or rabbit?

After that have a look at the Powerpoint about looking after your pet.

You could take a photograph or video you looking after your pet if you have one or if not then talk about an animal you like and what you would do to make sure it stays healthy.
