### STORY TIME

I really miss our story times!

It is so important that we listen and respond to quality texts.

Session 5

Please watch the video and then complete the activity which can be done practically rather than printing.

### PHONICS

This week I would like us to really focus on our blending skills. It is very important that we get quicker and quicker at saying the sounds to read the words-this will really help when we are reading books.

Expressive Arts and Design-

Can you create a dance or compose a song about an animal? You might use a rhyme that you already know and change the words or make your own.

Your dance could be to a song that you know about animals like "The Animals went in two by two" or "Old Macdonald" or it may include moves like hopping like a rabbit or scurrying like a hamster.

We can't wait to see how you get on.
