Story time

Let's blast off and take a trip into space!

Your story for today is The Marvellous Moon Map by Teresa Heapy

Your word is planned. If you plan something it means you have decided what you are going to do and how you will do it.

How would you plan going to the moon?

On the Moon

Let's keep our bodies strong and flexible with some space themed yoga today. Yoga is also great for helping us develop our balance.

Phonics Phase 1 – Action Songs

Today let's focus on nursery rhymes and songs which have actions.

Some examples are here

You might have some favourites that you want to practise!

Thank you to all for engaging with our home learning ideas. The main things to keep doing are reading, talking as much as possible and singing your favourite songs and rhymes.

Numberblocks and Alphablocks are good educational programmes to watch at home to support development. Phonics play is also free currently. In nursery we focus on Phase 1:

On a Voyage

What things would you take on a trip to space with you? Can you make a list and pack a bag of things you would take to the moon?

You could then role play your trip!
