

# HOLY FAMILY CATHOLIC PRIMARY SCHOOL

## NURSERY REMOTE LEARNING PLAN

**Date:** 24<sup>th</sup> February 2021

Holy Family R.C. Primary School

### Story time

Today's story is Goodnight Spaceman.

<https://www.youtube.com/watch?v=x-Tn8ZWLtCY&safe=active>

What is an astronaut? Or who is an astronaut!

### Rocket

Design your own space rocket and make it.

Encourage your child to design first and talk about how they are going to make their rocket.

You could use a bottle, toilet roll tube, boxes or anything you have at home.

### Funky Fingers

Practise your fine motor skills at home today. Choose from some of the suggested activities attached on tapestry or think of your own.

*Thank you to all for engaging with our home learning ideas. The main things to keep doing are reading, talking as much as possible and singing your favourite songs and rhymes. Numberblocks and Alphablocks are good educational programmes to watch at home to support development.*

*Phonics play is also free currently. In nursery we focus on Phase 1:*

**password: home**

### Once Upon a Picture

Look at the picture of the astronaut. Think and talk about the following:

What can you see here? Where did they come from? Why did they come to the moon?  
What equipment does the man have? Why does he need it?  
Do they enjoy being on the moon?  
How long do you think they'll stay? What will they do here? Will anyone else join them?
