

HOLY FAMILY CATHOLIC PRIMARY SCHOOL

NURSERY REMOTE LEARNING PLAN

Date: 25th February 2021

Holy Family R.C. Primary School

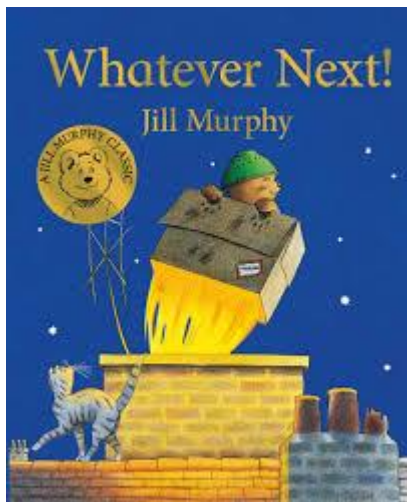

Story time

Listen to today's story- Whatever Next by Jill Murphy

https://www.youtube.com/watch?v=m0XQ9YhWd_Y&safe=active

Listen for the word millions – this is a very big number!

How many stars can you count on the pages?

Aliens!

Do you think that you would see aliens if you went to the moon?

Design your own alien. How many eyes/arms/legs would it have? What colour is it? What does it sound like?

Draw or make your alien.

Making the Moon Fun

Baby Bear thinks the moon is a bit boring. What fun activities and games can you play which would make his trip more exciting? Perhaps a board game, or something bouncy and active!

Phase 1 Phonics:

Use different instruments for the "Pied Piper" to play, with children moving in different ways in response. If there is more than one person playing, the person at the front decides on the movement and the rest follow in the same way. They follow the leader marching, skipping and hopping – vary the pace and describe the action: Fast, faster, slow, slower. Introduce and model new words by acting them out (e.g. briskly, rapidly, lazily) for the children to explore by acting them out.

Thank you to all for engaging with our home learning ideas. The main things to keep doing are reading, talking as much as possible and singing your favourite songs and rhymes. Numberblocks and Alphablocks are good educational programmes to watch at home to support development.

Phonics play is also free currently. In nursery we focus on Phase 1:
