

HOLY FAMILY CATHOLIC PRIMARY SCHOOL

NURSERY REMOTE LEARNING PLAN

Date: 26th February 2021

Holy Family R.C. Primary School

Story time

Today's story is wonderful. It is called "Papa, Please Get the Moon for Me"

<https://www.youtube.com/watch?v=sGgAw7UM6qo&safe=active>

Listen for the word long.

In the story, the ladder was very long.

What other things can you find or think of that are long?

How would you try and catch the moon and bring it back to Earth?

Walk

I would like you to try and go for a walk today – it is important that we keep ourselves active! The weather is also improving gradually.

Look up into the sky. Can you see space? What things can you see in the sky above you today?

You can describe them or make a picture when you get home.

Phase 1 Phonics: I can hear with my little ear.

Whilst you are outdoors, or you can play indoors if you prefer, listen to the sounds around you. What noises are there? Can you describe it to the person with you?

There have been lots of bugs and worms around recently! What would be a silly sound for a bug or a worm to make?

Thank you to all for engaging with our home learning ideas. The main things to keep doing are reading, talking as much as possible and singing your favourite songs and rhymes. Numberblocks and Alphablocks are good educational programmes to watch at home to support development.

Phonics play is also free currently. In nursery we focus on Phase 1:

Wish Upon a Star

Listen to the song "When you wish upon a star". Do you like it? How would you move to this music? How does it make you feel?

<https://www.youtube.com/watch?v=D2zzXBg3Fcl&safe=active>

Make your own star to make a wish with. You might need some help, stars are tricky shapes to make! How can you make your star shiny? Now make your wish! What are you going to wish for?
