- Post videos/pictures of your child having a go at dribbling.

DT ~ LO: To use a variety of skills to create world dishes.

- In relation to our topic of explorers, it is your task to have a go at making a dish from another country. This can be as local as Scottish Shortbread as a snack or travel a bit further by making a North African dish called Shakshuka which is delicious!
- Children to have a go (assisted by a grown up) at a variety of different cooking methods e.g. chopping, grating, mixing, rolling, cutting, frying etc.
- I can't wait to see the exciting dishes you create!
