

HOLY FAMILY CATHOLIC PRIMARY SCHOOL

NURSERY REMOTE LEARNING PLAN

Date: 28th January 2021

Holy Family R.C. Primary School

Story time

Next weekend is the RSPB "Big Garden Birdwatch", so let's do some bird and nature themed learning this week!

Today's story is another book we have read in nursery and enjoyed. Wow! Said the Owl.
<https://www.youtube.com/watch?v=n6H3itkC4jk&safe=active>

The word to listen for is "dawn". Dawn is when it begins to get light before the sun rise.

Talk about the different colours, objects and events the owl observed through the day.

What do you usually do throughout the day?

There are lots of resources and opportunities to explore today and throughout the whole week on the RSPB website.

<https://www.rspb.org.uk/get-involved/activities/birdwatch/feeding-and-attracting-birds/>

Bird watching!

I know the weather is not the best at times but try out some birdwatching today and count the different types of birds you see! Talk about the birds and things you observe. Use your listening skills to discriminate between sounds in the environment.

I have attached a bird sheet for you to keep track on.

You can submit your results at the weekend as part of the RSPB birdwatch or use this as a practice session!

The Number 3

Practice writing the number 3 in the air with your finger. Draw 3 objects, collect 3 objects. See if you can spot the number 3 anywhere throughout the day!
<https://www.bbc.co.uk/iplayer/episode/b08bzgxx/numberblocks-series-1-three>

Thank you to all for engaging with our home learning ideas. The main things to keep doing are reading, talking as much as possible and singing your favourite songs and rhymes. Numberblocks and Alphablocks are good educational programmes to watch at home to support development.

Phonics play is also free currently. In nursery we focus on Phase 1:

Binoculars

Bird watching essentials are binoculars! Can you make your own pair using materials you have at home? If possible you can even make the string which lets them hang around your neck. Think about how to use your tools with good control and how we use them safely.
