### Story time

This weekend is the RSPB "Big Garden Birdwatch", so let's do some bird and nature themed learning this week!

Today's story is called Dora's Eggs.

Listen for the word proudly. This means to be very happy and satisfied with what you have achieved.

There are lots of resources and opportunities to explore throughout the whole week on the RSPB website.

### Baby Birds and Animals

In our story today, Dora saw all the animals with their babies, she felt sad because she just had eggs. What did they hatch into?

Can you remember what the baby animals were called?

Have a look at the baby animals attached, can you talk about and recognise sets of babies and their parents?

Can you find out about any other baby birds or animals? You could draw a pair.

### Number

Five little ducks! Singing and rhyme is a great activity to do each day. Practice numbers up to five with the five little ducks song.

*Thank you to all for engaging with our home learning ideas. The main things to keep doing are reading, talking as much as possible and singing your favourite songs and rhymes.*

*Numberblocks and Alphablocks are good educational programmes to watch at home to support development. Phonics play is also free currently. In nursery we focus on Phase 1:*

Wind down and relax at the end of the week with one of the Cosmic Yoga sessions. To fit in with our bird theme here is Tallulah the Owl.

Stretch, relax and enjoy!
