23 February 2021

Dear Parent/Carers,

Following yesterday's announcement, I am absolutely thrilled to be writing to you, about the re-opening of Holy Family school. I am therefore writing to inform you of the steps our school will be taking to fully reopen to all pupils on **Monday 8th March**.

Attendance

Attendance for all pupils is mandatory from the 8th March. Pupils who are self-isolating due to presenting with symptoms of coronavirus, or have been exposed to somebody presenting with symptoms of coronavirus, must not attend school until the self-isolation period has passed or they test negative for coronavirus. If your child presents with coronavirus symptoms, the self-isolation period is ten days; if a member of your household presents with coronavirus symptoms, the self-isolation period for your child is 10 days.

Getting to school

The school day, as always, is staggered with classroom **doors opening at 8.40am and closing at 8.50am**. Please ensure your child arrives between these times. **School will end at 3.10p.m.** Only one parent/carers can drop off/pick up and social distancing on the school grounds must be adhered too. Parent/carers must wear a face covering whilst on school grounds. Parents and children to enter the school grounds through the **gate near the staff car park**. Parents then to walk out of the school grounds through the **gate near the wildlife area**. School must restrict the number of visitors into school and therefore contact with teachers, office staff or the Headteacher must be via telephone or email. The reception area in school will be closed as social distancing cannot be observed.

Infection control and social distancing measures

It is important that we maintain proportionate infection control and social distancing measures when we welcome back all pupils and staff. To ensure everyone's safety, we will be enforcing the following as part of our risk management plan:

- Anyone who is unwell and displaying symptoms of coronavirus will be asked to stay at home for ten days.
- Robust hand and respiratory hygiene practises will be encouraged and enforced.
- Enhanced cleaning will be undertaken as necessary, including cleaning any frequently touched surfaces throughout the day.
- The NHS 'Test and Trace' system will be actively used and followed.
- Limitations will be placed on the number of people staff and pupils encounter during the school day.
- Large gatherings will be avoided, e.g. assemblies and collective worship.
- Pupils will be grouped together and asked to remain in these groups.
- Contact between groups will be avoided.
- Classrooms will be arranged to allow for social distancing and desks will be faced forwards to minimise face-to-face interaction between pupils.
- Pupils will be asked to remain at least two metres away from members of staff, where practicable.

Should any of the above protective measures change at any time, including the need to close the school due to a local lockdown, we will contact you via **email** as soon as possible.

If your child becomes unwell

If your child becomes unwell at school and develops a **new, continuous cough, a high temperature, or a loss of, or change in, their normal sense of smell or taste**, they will be sent home immediately. They will be isolated within the school and supervised until they can be collected. The school will contact you via **telephone** as soon as possible should your child need to go home.

If we do not have your up-to-date contact details, please contact the **school office** as soon as possible to notify us of any changes.

If your child becomes unwell at home and is presenting with symptoms of coronavirus, we ask that your child does not attend school and instead stays at home for the next ten days or until they test negative for coronavirus. We encourage all parents whose child is presenting with coronavirus symptoms to get their child tested and, where required, their family.

Please contact the **school office** via **telephone** before **9:00am** to notify us that your child will not be attending. We also ask that you notify the **school office** as soon as possible with the results of any coronavirus tests your child has undertaken.

How pupils will be grouped

Consistent whole class groups will be enforced when pupils return to school. We aim for this arrangement to help reduce the risk of coronavirus transmission by limiting the number of people pupils encounter throughout the school day. Enforcing strict group arrangements will also help us reduce the number of people who will be asked to self-isolate should a member of the group become ill with coronavirus.

Groups will not be permitted to mix at this time, including during breaktimes and lunchtimes. We will continually review the effectiveness of enforcing these groups, as we understand this arrangement may present educational and logistical challenges.

Should any of the above group arrangements change at any time, the school will notify you via **email** as soon as possible, as this may affect your child's arrival and departure times.

Catering arrangements

School kitchens will be fully open from 8th March and will serve both hot and cold food. Free school meals (FSM) will be provided as normal. Pupils will be asked to remain in their designated groups at lunchtime and will eat their lunches in **the school hall or classrooms**. Infection control and social distancing measures will be enforced during lunchtime and we ask that pupils do not share food, utensils, or cups at this time. **Please ensure that you provide a named water bottle each day for your child to use during the day.**

Extra Clubs

Breakfast and After School Club will only operate for keyworkers and must be booked and paid for in advance online via Scopay.

We are committed to supporting you and your child as they transition back into school routine. **Myself and all of the team are very much looking forward to welcoming all children back to our Holy Family family!**

Yours sincerely,
Mrs J Westray
Headteacher
