

# Year 1 Summer 1 2019

## Update Newsletter

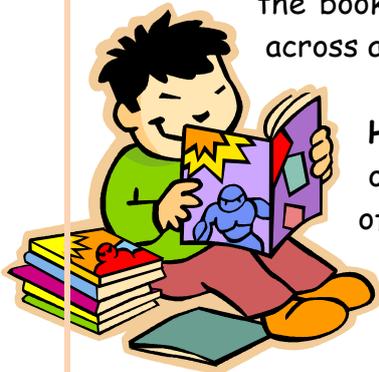

We can't believe we have only one term left in Year 1 - hasn't the year flown by! We have been learning so much and we will continue to work extremely hard for the rest of the year. The children have tried so hard to learn strategies to enable them to work independently in writing and maths and will continue to develop these skills to prepare them for Year 2.

### **Our Year 1 team is:**

Mr Heron: Class Teacher   Mrs Clifford: Teaching Assistant.  
Miss Juntunen will be teaching on Tuesday afternoons.

Reading books will be changed if your child has read on a **Monday, Wednesday and Friday**. Please aim to listen to your child read as often as possible. Reading with your child, whether with the book brought home or your own books, helps them to make significant progress across all areas of their school work.

**Homework:** The children will be given a half-termly set of activities related to our topic. This will be stuck into your child's homework book at the beginning of each half term with a number of different tasks. Your child may choose to complete them in any order they wish, however please encourage them to complete as many of the tasks as you can. Please feel free to be as creative as you like with presentation and use the online Tapestry program to upload any photos or videos.

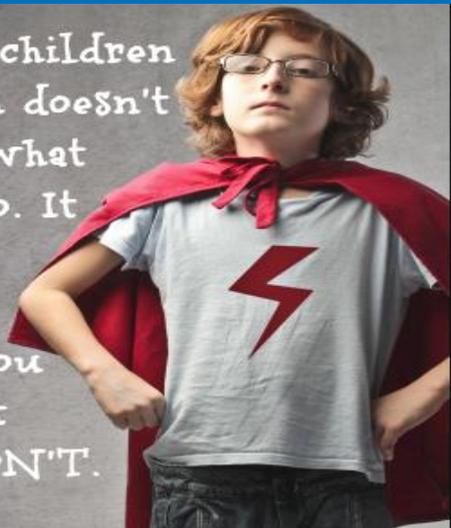

There will also be homework activities for each week which will be given out on a Friday to be returned by the following Thursday.

**PE Days:** Monday and Wednesday afternoons.

Please make sure your child has the appropriate PE kit in school at all times. Please make sure all PE items are named in case anything gets lost.

Please do not hesitate to come and see us if there is anything that you need to discuss concerning your child's education.

Teach your children  
that strength doesn't  
come from what  
you CAN do. It  
comes from  
overcoming  
the things you  
once thought  
you COULDN'T.

Thank you for your continued support and co-operation.

Mr Heron and the Year 1 team.
